NOTICE

(Internal Survey for Online Class)

We all have been familiar about the current situation due to pandemic of COVID-19. There has been a frequent extension of the Lockdown by the government of Nepal as the situation is getting further critical. This has been a state of dilemma to all of us and we are anticipating for official instructions or references from authorizing agencies to conduct academic activities under favorable conditions. Even at this condition, we have always been concerned about our students and making efforts to conduct possible academic activities.

By this time, we have frequently organized Webinars and at possible cases, faculties have been conducting revision and discussion classes. Still, there are many challenges in conducting online sessions, mostly due to improper connectivity and unavailability of appropriate resources. So, this is the time when we all have to trace appropriate methods to proceed more effectively.

With the same purpose, we have developed a survey form to identify the status of our students and also to identify further possibilities to regulate the academic conducts.

We would appreciate for student's genuine details and feedback.

All the students are informed to visit college website to fill up the form. Since the survey will be conducted till May 21, 2020, we insist to fill up details at the earliest.

Stay Safe.

Er. Kiran K.C.
Principal
