NOTICE for Online Sessions

This is known to all that the whole country has been in the state of lockdown since few weeks. Due to this, the Final Assessment of Fall 2020 was also withheld from March 19, 2020. Till this period, we were waiting for the lockdown to release and continue college activities. However, the lockdown has recently been extended until Baisakh 15, 2077 (April 27, 2020). So management has now decided to connect students, faculties and staff through online media.

I would, therefore, like to request faculties and students to remain in contact with respective department coordinators, deputy coordinators, faculties or the academic dean for further correspondence to participate in online meetings, classes and discussion or guest lecture session. All the online sessions will be arranged by respective departments in coordination with faculties as per need and availability of resources.

Note : Also, we have developed a form for collection of students updated contact details for further communication. Please visit the college website to complete the form.

I wish you all a very happy new year 2077 B.S. and further wish for good health, happiness and success of all.

Er. Kiran K.C.
Principal
